

## Some Fine Day

A generation ago, continent-sized storms called hypercanes caused the Earth to flood. The survivors were forced to retreat deep underground and build a new society. This is the story that sixteen-year-old Jansin Nordqvist has heard all of her life. Jansin grew up in a civilization far below the Earth's surface. She's spent the last eight years in military intelligence training. So when her parents surprise her with a coveted yet treacherous trip above ground, she's prepared for anything. She's especially thrilled to feel the fresh air, see the sun, and view the wide-open skies and the ocean for herself. But when raiders attack Jansin's camp and take her prisoner, she is forced to question everything she's been taught. What do her captors want? How will she get back underground? And if she ever does, will she want to stay after learning the truth? Revised edition: This edition of *Some Fine Day* includes editorial revisions.

**Some Fine Day - Bobby Short Song Info AllMusic** Jun 23, 2014 I have very neutral feelings regarding *Some Fine Day*. I neither loved it nor hated it, and don't have much to say for that reason. The author **Some Fine Day by Kat Ross**  
**Reviews, Discussion, Bookclubs, Lists** 2 quotes from *Some Fine Day*: Idiomatic expressions like hungry as a horse persisted for decades after the last horse had perished. **Some Fine Day - YouTube** Jun 22, 2015 - 3 min - Uploaded by king hal
