

Star Wars: The New Jedi Order - Dark Tide Ruin

Twenty-one years after the destruction of Darth Vader and the Emperor, the Star Wars galaxy has been hit by a threat more deadly than anything that has gone before. In VECTOR PRIME, aliens invaded from outside the galaxy and were routed... at great cost to our heroes. Now, in a climate of mistrust - especially of the Jedi - Leia cannot convince the New Republic that the threat may not be over, even as the next wave of alien warships are entering the galaxy... It is up to Leia, Luke, the Solo Kids - Jedi Knights all - and the few who believe to defend the Outer Rim planets from invasion.
