

Easy Orchids: The Fail-Safe Guide to Growing Orchids Indoors

Advances in home climate technology have spurred a dramatic rise in the popularity of orchids as houseplants. Wide availability and affordability have made them far more accessible. Modern orchid varieties are hardy and come in a vast array of colors and sizes to suit any gardeners home environment. Easy Orchids shows just how easy it is to fill the home year-round with these colorful and scented blooms. The book is packed with glorious color photographs of orchids from around the world and gives practical guidance and expert tips in a clear and easy-to-use format. Topics include: Extensive A-Z orchid directory of plants Cool, warm and intermediate varieties Choosing a healthy plant and checklist for buying orchids online Transporting and importing plants Detailed cultivation instructions Strength of fragrance and size of bloom Ease of growth and ideal growing temperature and location Watering and humidity levels Feeding, potting and seasonal care. Using Easy Orchids, gardeners everywhere will discover how fail-safe and rewarding it can be to grow orchids at home.
