

## Lost at Sea: The Jon Ronson Mysteries

Updated edition. Now includes the complete text of Frank: The True Story that Inspired the Movie. Jon Ronson has been on patrol with Americas real-life superheroes and to a UFO convention in the Nevada desert with Robbie Williams. Hes met a man who tried to split the atom in his kitchen and asked a conscious robot if shes got a soul. Fascinated by madness, strange behaviour and the human mind, Jon has spent his life exploring mysterious events and meeting extraordinary people. Collected from various sources (including the Guardian and GQ) Lost at Sea features the very best of his adventures. Frequently hilarious, sometimes disturbing, always entertaining, these fascinating stories of the chaos that lies on the fringe of our daily lives will have you wondering just what were capable of. Portions of this book have appeared previously, in slightly different form, in Out of the Ordinary, What I Do, the Guardian and GQ (USA).
