

Love, Honor, or Stray (New Day Divas)

Now that Deborah has finally let go of the past that haunted her for so many years, is she ready to grab hold of love? The handsome Lynox Chase certainly hopes so, as he tries everything to win Deborah's heart. Even though she believes in her heart that Lynox is the husband God has for her, there still seems to be a barrier separating the two. The ringing of the wedding bells between Paige and Blake can still be heard echoing, but will the roar of temptation rear its ugly head when Paige begins to find comfort in the least-expected old friend? Just when Tamarra manages to put out one fire, yet another one sparks. When a relative of the person who committed an unspeakable act against Tamarra tries to strike up a relationship with her, what really strikes up is the largest blaze imaginable. Tamarra doesn't even have faith that God can get this one under control. Love, Honor or Stray is the most compelling book of the New Day Divas Series yet.
