

Love Lost (The Kurtherian Gambit Book 3)

When one of Bethany Annes loved one gets caught in the crossfire between her and the Forsaken, she goes rabid in rage. She doesnt believe in seeking peace and harmony, but rather revenge and mayhem. Continuing the story of Bethany Anne and TQB team, Love Lost picks up after Queen Bitch. She works to complete both her business and military team leads and we meet Stephens daughter Gabrielle as plans are made to exact revenge South of the Border. You dont touch one of Bethany Annes loved ones and get away with it, no matter how far away you live. **Please note, as mentioned in another review, there is flagrantly foul language in this novel. The main character does not have a problem with cussing, just uninspired cussing.
