

## The Journal of Vincent Du Maurier II (Volume 2)

Blood flows freely on Empress Cixis ship but her den is not all it appears to be, especially her human cargo. While Vincent gets to know one of the centuries most powerful vampires, he discovers something about himself that changes who he is. And quite possibly who he will become. As Evelina adjusts to her new life, she pines for her hero--the one vampire who seems to have abandoned her. But when shes taken from the Empresss ship, used as bait to lure her hero into danger, her newfound gifts are tested and shes left on the brink of a new kind of death.If Vincent cant save Evelina once again, he will suffer something greater than the loss of her blood ...This second book in the series is a compilation of Evelinas notes and Vincents journal--two perspectives, one life.
