

## Manual of Intensive Care Medicine (Lippincott Manual Series (Formerly known as the Spiral Manual Series))

Completely rewritten and updated for the Fifth Edition, this Spiral Manual remains the leading quick-reference guide to both medical and surgical intensive care. The essential principles, protocols, and techniques from Irwin and Rippe's Intensive Care Medicine, Sixth Edition have been distilled into a portable, practical manual that is ideal for rapid bedside consultation. The user-friendly outline format features numerous tables, illustrations, and annotated references. Highlights of this Fifth Edition include a comprehensive overdoses and poisonings section presented in tabular format, new chapters on minimally invasive monitoring in the ICU, and completely revised cardiology and hematology sections.
