

Kill Factor: Death Strike

Five against thousands...and the odds are on Hadrian Black. Death Strike: Book 3 of the Kill Factor Series is an espionage sci-fi thriller series based on the desires of an elite group of politically corrupt global leaders driven by world domination, but threatened by a handful of genetically modified black-ops soldiers who have the ability to bring it all crumbling down... When a nuclear explosion in Turkey kills members of a Kill Factor PMC unit, signs point to Redrum Industries. Doc dispatches Trajan and Magenta to Prague on a covert mission that involves a brilliant theoretical physicist the Redrum elites have been courting. In Beijing, Auggie starts the ball rolling on the final leg of his nefarious market strategies in an attempt to cripple Redrum corporately.
