

Report on the Florida reefs, (Memoirs of the Museum of Comparative Zoology, at Harvard College)

This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1882. Excerpt: ... AT HARVARD COLLEGE. Vol. VII. No. 2. THE CLIMATIC CHANGES OF LATER GEOLOGICAL TIMES: A DISCUSSION BASED ON OBSERVATIONS MADE IN THE CORDILLERAS OF NORTH AMERICA. By J. D. WHITNEY. CAMBRIDGE: \$rtnteo for tfje Jluseum. University Press: John Wilson And Son. Cambridge. CONTENTS. CHAPTER I. THE GLACIAL AND SURFACE GEOLOGY OF THE PACIFIC COAST. SECTION I. Introductory 1-23 Reasons for publishing this as a separate work, 1. Its connection with the volume on the Auriferous Gravels, 1. Climatic results readied in the study of Californian Surface Geology, 1, 2. Similar results obtained in the Cordilleras, 2. Nature of the proposed discussion, 2.--General considerations as to Geological Results produced by ice, 3-12. Definitions of terms used, 4, 5. Nature of Moraines, 6, 7. Ice not of itself an erosive agent, 8. Proofs of this, 8, 9. Striation considered, 9, 10. Striated Surfaces, how produced without the aid of Ice, 10. Roches Moutonnees, and imitations of, 10. The Ground Moraine, 11. Geological Agency of Icebergs, 11,12; of the Ice-foot, 11.--The Origin of Lakes, 12-19. Orographic Lakes, 12--16. Lakes of Central Africa, 12; Lakes, absence of, in South America, 13. Lakes of Nortli America, 14-16; of the Great Basin, 16; of Canada and Finland, 17, 18.--The Origin of Fiords, 19-23. Erosive work of Water subordinate to action of Orographic Forces, 22, 23. SECTION II. Former Glaciation Of The Sierra Nevada, Of The Pacific Coast, And Of The Cordilleras In General 23-100 Simplicity of the facts of past Glaciation in the Sierra Nevada, 23. Mistakes which have been made in spite of

this, 23; reasons for these, 24.--Present distribution of Snow and Ice in the Cordilleras, 25-33. No Glaciers in the Sierra Nevada, 25; reasons for this, 25, 26. Snow-fall in the Sierra, 26. D...
