

## Me Cheeta: My Story

Cheeta the Chimp was just a baby in 1932 when he was snatched from the jungle of Liberia by the great animal importer Henry Trefflich. That same year, Cheeta appeared in *Tarzan the Ape Man*, and in 1934 in *Tarzan and His Mate*, in which he famously stole clothes from a naked Maureen O'Sullivan, who was dripping wet from an underwater swimming scene with Johnny Weissmuller. Other *Tarzan* films followed, and later roles with Bela Lugosi in the 1950s. Cheeta finally retired from the big screen after the 1967 film *Doctor Dolittle* with Rex Harrison, whose finger he accidentally bit backstage while being offered a placatory banana. Cheeta now lives in Palm Springs, where, at age seventy-seven, he is by far the oldest living chimpanzee ever recorded.
