

Flames and Freedom (Dragon Wulf 3)

Return to Planet Wolf. The Community's mission to extinguish freedom everywhere in the galaxy is relentless. Despite recent defeats and setbacks its leaders have a plan to turn the tables on the rebellious Dragon Wulf. At the very centre of their plan is Planet Rybak. The Vada, the Lindars and the Kohorts must go back there to save the people they left behind, no matter what the cost. ***** For and by the Honour of the Vada, we do solemnly swear that we will support and defend the weak, the defenceless and the innocent against all enemies, alien, foreign and domestic and from all those that enslave and exploit; that we will bear true faith and allegiance to the same; and that we will obey the orders of the Susyacs, Susas, Ryzckas and Vadryzcas appointed over us, according to regulations. So help me the Lai, the Sbnai, the Dglai, the Rai and the Brai. ***** I wonder what it is about the Fifteenth Ryzck. We always seem to get these jobs. You're just lucky I guess, laughed Douglas. ***** Ryzcka Jim and Avdrya of the Fifteenth Ryzck, he introduced himself with a grin. It's good to see you again My Lord. ***** Although she had met some Lind the experience hadn't prepared Taryn for this moment. His pelt was a mixture of variegated browns and pinks. His brown eyes resembled hypnotic, luminous balls and they were drawing her in. ***** At last the vadeln-pairs reached the top of the ridge and plunged into the enemy. Malkum fired his firearm twice but then an enemy soldier rammed him with the butt of a laser rifle and he dropped it. He pulled out his sword. It slithered from the sheath like an angel of death.
