

Sergeant Rileys Account (The Sullivan Saga: Parallel Tales Book 1)

In the jungles of the planet Edaline, a mysterious species known as the Squamata has long avoided the planets human colonizers. But as the only survivor of an apparent attack by the Squamata, Sergeant Leonard Riley knows that the governments official version of events is untrue. Now he must make a choice between protecting the government he once proudly served and exposing the lies and corruption of an oppressive regime. The Sullivan Saga: Parallel Tales is a series of stories set in the same universe as The Sullivan Saga.
