

A Woman of Excellence (LifeChange)

What is excellence? And how can women cultivate it amidst the hustle and bustle of daily life? That's what Navigator author and Bible teacher Cynthia Heald desired to find out after reading the beautiful description on Ruth voiced by Boaz: All my people in the city know that you are a woman of excellence (3:11, NASB). In this warm and personal booklet, Cynthia outlines the qualities that characterize a woman of excellence—things like strength, virtue, courage, capability, and wisdom—and she goes on to explain how you can develop those same traits in your own life.
