

What Happens in Vegas... An Empire of Blood (Dystopian Vampire) Short Story

When Jackie took her little sister, Karen, for a joy ride into Necropolis without telling her where they were really going, she only meant to have a good time. Give her a little scare. A desolate shell of its former self, Sin City still holds a certain temptation for those who like to gamble. But when the residents of the city awaken, what happens in Vegas... well, you know the rest. Wilson is a dark force to be reckoned with.--Trent Zelazny, author of *Destination Unknown* and *Fractal Despondency* *What Happens in Vegas...* is a fast-paced short story set in the Empire of Blood series. The critically-acclaimed first novel from the series, *Shining in Crimson: Empire of Blood Book One*, is currently available to read for free in the Kindle Owners Lending Library. Praise for *Shining in Crimson: A big-scale vampire thriller that changes the rules.*--Scott Nicholson, author of *Liquid Fear*, *The Red Church*, and *They Hunger* One of the best surprises I've had in a long while. Writing with a smart, self-assured ease, Robert S. Wilson has given us a gift with *Shining in Crimson*. Part Underworld, part Escape From New York, *Shining in Crimson* is genuinely frightening, genuinely thrilling, but above all, first-rate storytelling. Im a Robert S. Wilson fan from now on!--Joe McKinney, author of *Flesh Eaters* and *Apocalypse of the Dead* Robert S. Wilson shows a lot of promise here with this debut novel. Now its time to see where that promise will take him.--Ray Wallace, *The Chiaroscuro* Youll not find some glistening torsos and smouldering eyes in this book. What you will find is a brilliantly thought out society of Vampires.--Jim Mcleod, *Ginger Nuts of Horror* The Mesh of Religious symbolism and political commentary tucked neatly between pure horror and suspense is superb.--Lisa Lane, *The Cerebral Writer*
