

Miss Julia Renews Her Vows: A Novel

Its I Do! and I Didnt! in Ann B Rosss new Miss Julia adventure Sometimes even Miss Julia just wants to go to bed and hide under the covers. Her husband, Sam, wants them to attend marriage enrichment classes. Could their marriage be in a poor state? Even worse, the psychologist leading the sessions is Dr. Fred Fowler-a man Miss Julia could go forever without seeing again and one shed certainly rather not introduce to Sam. But she cant stay in bed for long, even if she wants to. Someone has knocked Francie Pitts in the head and put her in the hospital. Francie didnt see her attacker, but she sure smelled her. She recognized Etta Mae Wiggins perfume, Shania Twain by Stetson. Its up to Miss Julia to clear the air.

As if playing detective wasnt enough, Miss Julia still needs to show Sam that theres life left in their marital batteries-even if it means his are going to need some recharging. Perhaps a bit of Shania Twain might just solve all her problems. Readers flock to Ann B. Ross and her popular southern heroine. Miss Julia Renews Her Vows is filled with the wit, sass, and quirky charm her readers have grown to love, and is poised to hit the bestseller list.
