

Gardening Month by Month in Ohio

Gardening is one of the fastest growing recreational pastimes in the United States. Today's gardener is looking for the right resources to yield beautiful results with a minimum amount of fuss. GARDENING MONTH BY MONTH IN OHIO answers the challenge with images and information specific to the southern Great Lakes region. Each month of the year opens with a beautiful two-page photo spread and is followed by a perpetual calendar, tips and information and plenty of space for your own gardening notes. This easy-to-use, sturdy book with lay-flat binding contains great features, on garden design, growing plants from seeds, container gardening, creating wildlife habitat, composting, house plants, pest control and many, many references and resources for the modern gardener, whether your backyard is in Steubenville or Toledo.
