

Messiah--The First Judgment (Chronicles of Brothers #02) [MESSIAH--THE FIRST JUDGMENT (CHRONICLES OF BROTHERS #02) BY Alec, Wendy (Author) Dec-01-2008

The Messiah is the sequel to The Fall of Lucifer, and it is the authors intent that each new book reaches a new height. The book begins with Lucifer as he watches the ghoulish men and women as they tower a thousand feet above the Gates of Hell. Hundreds of demonic gorgon seraphims are set above the gatepost. Inscribed on their scaled heads is the script...THE SOULS OF THE RACE OF MEN. This is just the beginning of this fictional series. You must read further to grasp up-coming details and intense scenes.
