

Sins of My Brother

Since a young age, Darian has been groomed for success and is ecstatic when he secures a full scholarship to Florida State University. Plagued by an early tragedy, Omar's life is one continuous disappointment after another until he meets the girl of his dreams. The only problem is that she belongs to someone else... Can Darian accept things when his well-planned future begins to crumble? When faced with the opportunity to claim a love of his own, will Omar take it? Will these brothers be able to lean on the strength of their brotherhood to overcome their hurdles, or will their individual dilemmas get in the way of a united front?
