Will Katie's actions doom her career before it even starts? Big Red - Luci was big, but she had a pretty face. At least, that is what everyone said. A strange turn of events sends Luci to the city of New Mishnah where Great Aunt Klair takes her in and sets her on the path that will change everything. Space Doctor - Jerry Waldman is a schmuck and has always been one, especially when compared to his older brother Kevin. Thad's Mistakes - Thad realizes his marriage to Leslie is a colossal mistake. In fact, maybe his whole disastrous life is a giant blunder. Before he knows it, he has two kids and no way out from this trap.
