

Nemesis: Book 4 - 6

Morenas power grows in the small town of Grayson, Georgia. The man tasked with destroying her lies underneath her control, and a madman now controls the armies attacking her. And yet, bent on Earths domination, Morena fails to notice the teenagers moving around inside her town. She doesnt see the powerspowers even greater than hermaking plans. As she pushes forward, the worldand even the universechanges beneath her feet, with forces she cant imagine now heading for Earth. The world is slipping away from humanitys control, an alien species conquering mile after mile, with only weeks left until all is lost forever...
