

NEW MyPsychLab without Pearson eText -- Standalone Access Card - for Mastering the World of Psychology (5th Edition)

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Normal 0 false false false EN-US X-NONE X-NONE This access code card gives you access to all of MyPsychLabs tools and resources. Want a complete eText of your textbook, too? Buy immediate access to MyPsychLab with Pearson eText online with a credit card at www.mypsychlab.com. Provides the Most Student Support Mastering the World of Psychology, 5/e, provides students with more support than ever before, thanks to the Survey, Question, Read, Recite, and Review Learning Method, or SQ3R, which is integrated throughout the text. SQ3R shows students the relationship between psychological theory and learning. It is the strongest and most comprehensive program for measuring progress and attaining successful outcomes in Introductory Psychology. MyPsychLab is an integral part of the Wood/Wood/Boyd

program. Engaging activities and assessments provide a teaching and learning system that measures students success. With MyPsychLab, students can watch videos on psychological research and applications, participate in virtual classic experiments, and develop critical thinking skills through writing. This title is available in a variety of formats digital and print. Pearson offers its titles on the devices students love through Pearsons MyLab products, CourseSmart, Amazon, and more.
