WESTERN DESERT, Book Two in the Chronicles of Lily Carmichael trilogy, takes off where WANING MOON ends. Genetically enhanced sixteen-year-old Lily Carmichael, and seventeen-year-old drifter Will Callahan, embark on a journey across a sun-ravaged and decimated US in the year 2057, bound for the Western Desert on a dangerous rescue mission. The survivors they meet along the way put Lilys healing abilities to the test and challenge Wills resolve to find his missing father no matter the cost.
