

Sleepless: A Novel

What LAPD cop Parker Hass wants is a world both safe and just for his wife and infant daughter. But then a plague of insomnia strikes. Working undercover as a drug dealer in a Los Angeles ruled in equal parts by martial law and insurgency, Park is tasked with cutting off illegal trade in Dreamer, the only drug that can give the infected their precious sleep. After a year of lost leads, Park stumbles into the perilous shadows cast by the pharmaceutical giant behind Dreamer. Somewhere in those shadows a secret is hiding. Drawn into the inner circle of a tech guru with a warped agenda, Park delves deeper into the restless world. His wife has become sleepless, and their daughter may soon share the same fate. For them, he will risk everything. Whatever the cost to himself.
