

Redemption (Ghosts and Aliens Book 3)

Cassidy and her helpers make their final attempt at ridding the Earth of the alien invasion... but are they too late? In the final installment of the Ghosts and Aliens trilogy, Cass and her group of friends - including one hunky ghost and a pretty sexy alien - attempt to stop the alien invasion and save the human race. But when things go wrong and hurt her friend Tasha, Cassidy decides its time to fight back once and for all. And in the process, she just might lose one of her protectors for good. This series mixes aliens, ghosts and romance in a science fiction fantasy setting. For those who love alien first contact stories, this series is a great read!
