

The Vegetarian Chili Cookbook: 80 Deliciously Different One-Dish Meals

Today, when millions of households contain almost any party will include both vegetarians and meat eaters, vegetarian chili takes away the guesswork: it's robust enough for carnivores, and it's sure to please vegetarians. Robin Robertson serves up a tasty invitation to discover how surprisingly versatile this timeless favorite can be. From mild concoctions suitable for fussy kids to five-alarm conflagrations for committed chiliheads, these recipes are brimming with creative ideas and satisfying flavors.
