

Paleo Snack and Raw Recipes - Delicious, Quick & Simple Recipes

This is a compilation of the Paleo Snack and Paleo Raw recipe books from the Delicious, Quick & Simple Paleo Recipes series! Inside, you will find 50 amazing Paleo-friendly recipes. Looking for a real life raw food cookbook? Welcome, you have come to the right place. The reason most people are looking to eat a raw food diet is that cooking is thought to denature the enzymes naturally present in food. Enzymes are what foodists describe as the life force of food. So it makes sense that the closer the food you eat is to coming from the earth, the better. Try some Zucchini Salad with Sundried Tomato Sauce or a Raw Banana Cream Pie. Get ready to discover new foods you've never tried before and learn to enjoy the wealth of energy and mental clarity that comes from eating well.
