

Party Shots: Recipes for Jiggle-Isorious Fun

What could be more fun than shimmering cubes of juiced-up gelatin? Party Shots explores the creative possibilities of this compact cocktail, a trend that's making an appearance even in upscale restaurants and bars. Innovative and often outrageous, these spirited shots go way beyond the basic lime gelatin and vodka combo. This colorful little book of lip-smacking libations offers twisted takes on old classics, such as the Atomic Tonic and the coconut-scented Pia Gelata, as well as crazy new concoctions infused with exotic liqueurs and even Champagne. Silly, sassy, and packed with easy ways to liven up any gathering, Party Shots is sure to induce a conversational buzz.
