

Five Star Science Fiction/Fantasy - Paying the Piper at the Gates of Dawn

This collection of Edghill's finest short fantasy works includes: *The Piper at the Gate* where Mary Frances Baynes longs all her life for Real Magic and finally achieves it ... at a price; *The Intersection of Anastasia Yeoman and Light* where a midlist SF-writer-turned-successful-editor gets a glimpse of the way her life could have gone; and the story of Ator, Jannifer, Ancel, and the Grail, set in ancient Britain and told by the son that Ator tried to kill as an infant, is told in *Prince of Exiles*.
