

The Australian Shepherd: An Owners Guide to a Happy Healthy Pet

At last, a book about your pet that emphasizes total care, training and companionship! You'll not only learn about the specific traits of your special pet, you'll also learn what the world is like from your pet's perspective; how to feed, groom and keep your pet healthy; and how to enjoy your pet through training and activities you can do together. The Australian Shepherd is written by a breed expert and includes a special chapter on training by Dr. Ian Dunbar, internationally renowned animal behaviorist, and chapters on getting active with your dog by long-time Dog Fancy magazine columnist Bardi McLennan. Best of all, the book is filled with info-packed sidebars and fun facts to make caring for your pet easy and enjoyable.
