

## Secrets Of The Mind - Learn About Human Psychology

Example from the book: Recent studies buttress the unpalatable reality that falling in love is, in some ways, indistinguishable from a severe pathology. Behavior transformations are reminiscent of psychosis and, biochemically speaking, passionate love closely imitates substance abuse. Appearing in the BBC series Body Hits on, Dr. John Marsden, the head of the British National Addiction Center, said that love is addictive, akin to cocaine and speed. Sex is a booby trap, intended to bind the partners long enough to bond...
