

## Queen of the Pirates (The Jessica Keller Chronicles Book 2)

If Jessica Keller wants to advance in the Republic of Aquitaines Navy, she must become more than just Aquitaines best fighting commander: she must learn diplomacy. The First Lord sends her to a safe backwater ally, Lincolnshire, to learn. However, Jessica finds herself neck deep in an Imperial conspiracy to overthrow the King of the Pirates and ignite the entire border. Jessica and Auberon must go to the very edge of the galaxy and far beyond mere diplomacy to stop them. Be sure to also read Auberon, volume one of The Jessica Keller Chronicles, as well as Last of the Immortals, volume 3.
