

Realms of Time (Scrapyard Ship series Book 4)

Definitely the best of the series! Felt like I was part of the team--so much flippen fun. Devoured it. Ready for the next book, like right NOW. ----- Welcome to the fourth installment of the Scrapyard Ship series, Realms of Time. Captain Jason Reynolds and his team are up against a new, and unexpected foean adversarial force that has every intention of aligning with the powerful and dreaded Craing Empire. The enemy strikes from Earths high orbit, deploying five time-shifting spheres. The spheres are strategically positioned to link-up and set Earths clock back 100 years into the past. But when that course of action is interrupted by The Lillys crew, the results become far worse. Fluctuating time realms rapidly spread across the globe and threaten to rip the planet apart. Join Jason, Billy, Traveler, Ricket and Dira on their mission as they literally travel to the ends of time to bring Earth back to the twenty-first century.
