

Reapers (Breakers Book 4)

When the plague came, federal agent Ellie Colson fled into the Adirondacks with Dee, the daughter she barely knew. They began a new life as subsistence farmers, isolated from the fall of the world. In the six years since, a small community has arisen from the ashes. Dee is grown up. Shes engaged to Quinn, a young man from across the lake. And shes being hunted. Strangers are spying on the farms at night. Dees harassed by a spurned suitor. One of Quinns dogs turns up dead. Drawing on her old skills, Ellie launches an investigation of the locals. Turns out Quinns dad has made some bad decisions. Some enemies, too. The strangers arent after Dee--theyre after Quinn. When he goes missing, Quinns dad fears the worst. But Ellie has a lead. She and Dee track the kidnappers into the post-apocalyptic wilderness of New York--and into darker lands than Ellie could ever imagine.
