

The Rolling Stones (Heinleins Juveniles Book 6)

Wonder where to dive into Heinleins justly famous adventure novels This is the place! The Stone clan is off to the asteroid belt to educate their brood and find a new life away from stuffy, bureaucratic Lunar City. But, as a great man once said, There Isnt Any Such Thing As a Free Lunch. The Stones know that making a living in deep space and facing the dangers of exploration are the pioneers great challengeand the only path to a hopeful tomorrow for humankind! Everything is theoretically impossible, until it is done. One could write a history of science in reverse by assembling the solemn pronouncements of highest authority about what could not be done and could never happen.Robert A. Heinlein, from The Rolling Stones.At the publishers request, this title is sold without DRM (DRM Rights Management).
