

Redemption Protocol (Contact) (Volume 1)

REDEMPTION PROTOCOL is a hard hitting space opera/ sci-fi adventure. It is the FIRST book in the Contact series. Please download the taster if you want to sample the style. John Havoc was betrayed into murdering over three hundred thousand people with a biological weapon. The only thing left in his hollowed out world is retribution. Havoc is drawn into a top secret Contact mission - humanity's first - after an extraordinary energy source is detected at the limit of reachable space. While the crew of the AV Intrepid struggle with saboteurs and hostile ships, they fail to realize that the alien world holds dangers that threaten far more than their ship. Imprisoned on Plash is a weapon of unimaginable horror - a species eliminator. A lightning paced, hard-hitting, action packed, sci-fi thriller. A. BOWEN Intricate plotting and characters, and a brilliant ending that I found to be quite inspiring. I loved it, and thoroughly recommend it! GKEpic no-holds-barred sci-fi thriller, highly recommended! T. BENJAMIN Rated [R]. Violence, sex, profanity. US English. 166,500 words.
