

So Say We All: An Unauthorized Collection of Thoughts and Opinions on Battlestar Galactica (Smart Pop series)

The science-fiction television series Battlestar Galactica is known for raising thought-provoking questions concerning martial law, artificial intelligence, power and corruption, and ultimately what it means to be human. What ethical complexities come into play when one mistake could mean the annihilation of the human race? How do you maintain faith in the Gods when you're involved in an Armageddon of your own creation? What is the distinction between a terrorist and a freedom fighter? These questions are given an intelligent and insightful examination in this engaging collection of essays.
