

Revenge: The Wasteland Chronicles Book Four

Everything ends, but not everything dies. Lenny has seen the world crumble before his very eyes. He's lost everything and everyone he's loved, but somehow he's still clinging to hope. But hope isn't what Lenny wants anymore, now he's looking for revenge. The fog is thinning and the truth is finding its way to the light. Lenny's past and present are set to violently collide, but he may not like what that means for him. Is there still a future to save and can Lenny save it before the clock runs out? Everything is revealed in this epic installment of The Wasteland Chronicles.
