

Near Sighted (Book 2 of the Near Death Series) (Volume 2)

Readers captivated by Near Death will eagerly devour Near Sighted, the much anticipated second book in Richard C. Hales riveting thriller series. Near Sighted continues the story of Jake Townsend and his mind reading technology as he attempts to find equilibrium between what he should and should not do with the knowledge. Jake feels his life has moved on, but when his dreams return and he sees a glimpse into his future, he discovers that the nightmare has only begun. Somewhere, someone has stolen his secrets. And as he learns of their evil purpose, he must find a way to stop them. Or risk losing everything he holds dear. Once again, the fate of the human race hangs in the balance and Jake holds the key. But will he have the courage to use it?
