

The Sending (Senithas Light) (Volume 1)

A city's peace is shattered when two university students go missing, and only Daneel and his friends know the shocking truth of what happened. Finding themselves under attack, Daneel leads them in a race to escape the mounting violence. Mara is willing to kill for the beliefs of the faction that raised her. But as she seeks out her mark, using a rare, mystical form of travel known as the Sending, Mara discovers a powerful connection that challenges the truth of everything she's been taught. While Daneel fights to protect those he cares for, Mara must choose whether to cling to the ideology of her home or open her scarred heart to a searing attraction and the promise of a new life. Readers who enjoyed Under the Never Sky, Shatter Me and Divergent will enjoy The Sending and the Senithas Light series.
