

# The Best of Sam Sterns Student Cookbook

The world-famous teenage cook is back with a delicious book of tastebud-tempting recipes for independent living. Here Sam champions good food as the best preparation for student life, and shows that its fantastic fun to create even on a budget. The book's eye-catching symbols offer a speedy guide for checking on costs, while variations show how to adapt each recipe, whether you're feeling flush or feeling the pinch. Perfect for college starters, gap-year travellers and first-jobbers alike, Sam's cookery bible is grouped into user-friendly chapters based on food types. You'll find a dish for every occasion cooking and eating well for whatever life throws your way accompanied by glorious full-colour photographs.
