

Horizon Roses 2012

Horizon Roses, published annually for nearly 40 years, is a compilation of comments by the nations top rose exhibitors on the exhibition potential of the newest hybrid teas, floribundas, miniflora and miniature roses. For most exhibitors, it has long been considered the indispensable guide to buying new show roses. Horizon Roses 2012 contains a record 2,410 reports by 92 nation-wide reporters on the exhibition potential of 323 roses introduced in the last five years. The reports include 66 new roses not mentioned in prior issues. All comments are candid and reported in the words of the reporter. Supplementing the comments are photographs of 136 roses on which multiple comments were received. The reports are set forth alphabetically and include statistics of the current show results of the reported varieties. In addition, information is provided on known sources for the reviewed varieties.
