

## Shattered: On The Edge Of Insanity

Could he have committed the most unthinkable and heinous crime? When attorney Richard Ratner awakens in a mental institute, his world comes crumbling down. Accused of killing his own child, an act he has no recollection of, Richard escapes and sets out to uncover who really committed the murder. As an attorney, Richard knows the ins and outs of law, uncovering truths and realities that he may not want to face. But there is a lot more going on than he really understands. Unleashing the truth puts Richard on a path of danger, forcing him to face his biggest fear of all. Can he reveal the secrets of his past, or will his own fear shatter him first? Get ready to be SHATTERED through the twists and turns this psychological thriller takes you on. When you read the last page, you'll want to open it back up and start over, looking for clues and hints along the way.
