

# Simply Organic: A Cookbook for Sustainable, Seasonal, and Local Ingredients

The world is changing, and along with it, so must our eating habits. Author and restaurateur Jesse Ziff Cool has compiled over 30 years of knowledge about organic, local, and sustainable food into one magnificent cookbook. With 150 enticing recipes, Simply Organic encourages home cooks to embrace organics as a lifestyle rather than a fad. Cool organizes her chapters seasonally to ensure that the freshest, ripest ingredients enhance the flavors of dishes like Filet Mignon with mashed Potatoes and Leek Sauce in early spring to Pumpkin Raisin Bread Pudding in autumn. Inspiring profiles on farmers and producers reveal how these individuals are working to create a sustainable future every day.
