Many dieters that do not succeed with their chosen diet for weight loss in the long term are guilty of the same old story. They claim that their diet has become too repetitive and boring. For example, many Slow Carb dieters, who are not allowed to drink calories, or consume white carbs are especially guilty of this statement! Their excuses begin to pile up high, until they finally cave in and break their weight loss meal plan. Have you ever felt this way about your weight loss diet? Have you ever thought that there are just too many great meals in existence to have such a limited list of options? Have you ever just wanted new, fun and exciting meals that were both delicious and fit the criteria of your diet? If you said Yes to any of the above questions do not worry because... This Book Is The Answer! If you can relate that story, then you are searching for answers and I applaud you for taking action! After reading this book, you will be able to stop the suffering and eat Slow Carb, Paleo, Ketogenic and other diet friendly meals that are simple, delicious and exciting! About the Author You may very well be asking, the questions, Who is this guy? and What makes him qualified to write a book about dieting? My name is Ashir Nelson, and I have close to 4 years of experience with achieving weight loss results while on the Slow Carb diet. Ever since the 4-Hour Body came to stores, I have been in Slow Carb heaven! In the 5 times that I have completed the slow carb diet to lose weight, I have lost up to 15 pounds every time during the 30-day period, and I have started the diet each time at a lean 175 pounds!
