

Slow Cooker International Cooking: A Culinary Journey of Set It & Forget It Meals

Time-pressed cooks everywhere use slow cookers to transform tough, inexpensive cuts of meat into succulent meals with minimal effort. Chop and brown a few ingredients, place them in the cooker, and set the controls. Enticing aromas fill the house throughout the day and, come dinner time, just lift the top and serve. In her newest slow cooker recipe book, Maria Holmes features an eclectic blend of international flavors and proves that the slow cooker can deliver delicious results that suit the modern global palate. If you are looking for something more than the traditional slow cooker soups and stews, then this book is exactly what you have been looking for. Get ready for a culinary journey around the world. From our neighbours across the borders, to our friends across the oceans, this book offers delectable recipes that will bring the joys of an amazing international meal right to your home.
