

Real Food from Your Slow Cooker

There's nothing more relaxing, after a hard day's work, than a glass of wine and some stylish food in front of the television. Of course it's best if it's tempting food, cooked by someone else and tasting as if you were in a restaurant! Well that's not too much to expect if you get yourself a slow-cooker and eat from this classic collection of international recipes. Slow-cooking is one of the world's oldest forms of cookery. It survives to this day because it truly enhances flavours and produces memorable eating. You can't begin to understand how good it is until you've tried it. Restaurant Quality Eating at Home This is one of the bestselling titles in the Premier UK Slow Cooker Library. Foulsham, the Publishers of this library, have been researching Slow Cooker Recipes for more than 33 years. Their research Cooks have tested and published more than 2,500 recipes. The mission statement that drives this research is Recipes that produce Restaurant Quality eating at Home. And their work has taken them through every major culinary tradition - American, British, French, Italian, Indian, Mexican, Thai and more! No other publisher has made such a commitment to this lifestyle. And no other Publisher can match the depth of quality to be found in their Slow Cooker Recipe Library.
