

Change by Design (Xenonian Origins Book 1)

Tired of watching young lives being thrown away due to bureaucratic obstacles, Kei Salin resigns from a position she's worked hard to reach. At the time she does, an unexpected source approaches her about a secret she's kept hidden. With her future, and possibly her life in the balance, she sets out to find answers, but is instead faced with a decision: Save innocent lives or save her own. In follow up to this short story, read *Mind Tricks*, also part of the Xenonian Origins series, and available on Amazon.
