

Human Sexuality in a World of Diversity, Books a la Carte Edition (6th Edition)

Integrating the latest research on human sexuality with an engaging writing style, this text has a strong pedagogy that guides students through the learning process. Human Sexuality in a World of Diversity examines the psychology and science of sexuality. The text examines the rich diversity found in sexuality whether it is in gender roles, cultural backgrounds, sexual attitudes, sexual behaviors or customs. Combined with this examination of the diversity in human sexuality, this text helps students develop their own opinions by teaching them critical thinking skills, personal sexual health, and responsible decision-making. This affordable Books a la Carte Edition features the exact same content from our traditional textbook in a convenient, notebook-ready loose-leaf format -- allowing students to take only what they need to class. As a bonus, the Books a la Carte Edition is accompanied by a full-color, laminated Study Card that's a perfect tool to help students prepare for exams.
