

Spinward Fringe Broadcast 2: Awakening

The crew of the Samson are caught up in the problems of their Captain as his past begins to catch up with him. Just as new allies start to fall in line old enemies come creeping out of the shadows, putting everyone at risk. While the crew struggles to deal with their own problems, Regent Galactic begins putting a plan in motion that will bring about the fourth fall of man and position their Corporation as the dominant power on the galactic fringe. Their ambition and greed spell disaster for mankind.
